

What's the deal with group retirement savings?

You're an iA group retirement savings plan member. Good news!

But... are you making the most of it and, most importantly, do you know how it works?

ia.ca/how-it-works

One website to answer all your questions

Go to ia.ca/how-it-works, the perfect place to better understand your plan and optimize your long-term financial security. There, you'll find:

- The advantages of being a member of your group plan, and how to enrol
- How to activate your online account and access our online tools, My Client Space and the iA Mobile app
- The key features of these tools (tracking the returns on your investments, downloading your tax receipts, etc.)
- Tips and tricks for financial planning (in general and in preparation for retirement)

INVESTED IN YOU.
