

Financial Consultation and Education

Want to become more money savvy?

Your Kii Health Employee and Family Assistance Program (EFAP) offers free, confidential financial consultation and education for you and your family members*.

Our Certified Financial Counsellors can help you with:

- Debt & credit counselling
- Saving
- Budgeting

You can learn about:

- Identity protection skills
- How to create budgets
- Steps to take to rebuild your credit rating

Kii's Financial Counsellors are independent consultants; you may access this service as a second opinion even if you already have a Financial Advisor in place.

**You and your family are eligible for a 60-minute consultation per person/per issue/per calendar year.*
