

Need legal advice?

Kii Health's Legal Consultation Service has got you covered.

Your Kii Health Employee and Family Assistance Program (EFAP) provides you and your family members with a free and confidential consultation in all areas of law (excluding labour law*).

You'll receive:

- A 30-minute free consultation with a lawyer per person, per issue, per calendar year.
- Up to a 25% discount for any optional ongoing legal services (at your cost).

Our service provides advice in all areas, including:

- Separation and divorce
- Child custody
- Elder law
- Wills and estates
- Criminal law
- Property law
- Landlord disputes
- Immigration
- Impaired driving
- Domestic violence
- Civil and personal matters

For your convenience, we offer services over the phone.

**Any situation involving labour law is not covered by the EAP's legal service due to potential conflict of interest.*
