

PERKS THAT WORK

# OVERVIEW

# Program Highlights

## Concierge Support

Providing top tier concierge service is at the core of everything we do at Perkopolis. For your organization, that means exclusive access, pricing and white glove service. Perkopolis offers a complete solution from start to finish to provide a seamless experience for you and your employees.

## Retail & Shopping Perks

Shopping and merchandise offers exclusive to Perkopolis.

Perks from top tech, fashion, beauty, and home brands.

## Travel Perks

Exclusive discounts on flights, hotels and more. Over 250,000 hotels at exclusive pricing not available to the general public. We are an experienced travel agency with 25 years of excellence in travel bookings.

## Attraction & Ticket Perks

Exclusive offers on global attractions, local activities, and shows. Big Bus Tours, Viator, Universal Studios, Caesars Entertainment, and CityPass are all key partners.

# The 4 Wins of Perkopolis

The program benefits all parties: our suppliers gain access to their ideal customers, Perkopolis receives a commission, employers gain a solution to an ongoing challenge – and, most importantly, employees save money!

Employers provide value to employees at absolutely no cost.

Employees feel valued and save money on their travel, tickets and favorite brands.

Perk providers gain access to their target market.

Perkopolis earns a commission when your employees shop

# A partnership for today's workplace

With the current labor crunch, recruiting and keeping employees are top priorities for organizations. A partnership with Perkopolis can support these shifting priorities and take the heavy lifting off your plate as well as introduce something exciting. A perk program is ideal for both retaining existing employees and attracting new top talent.

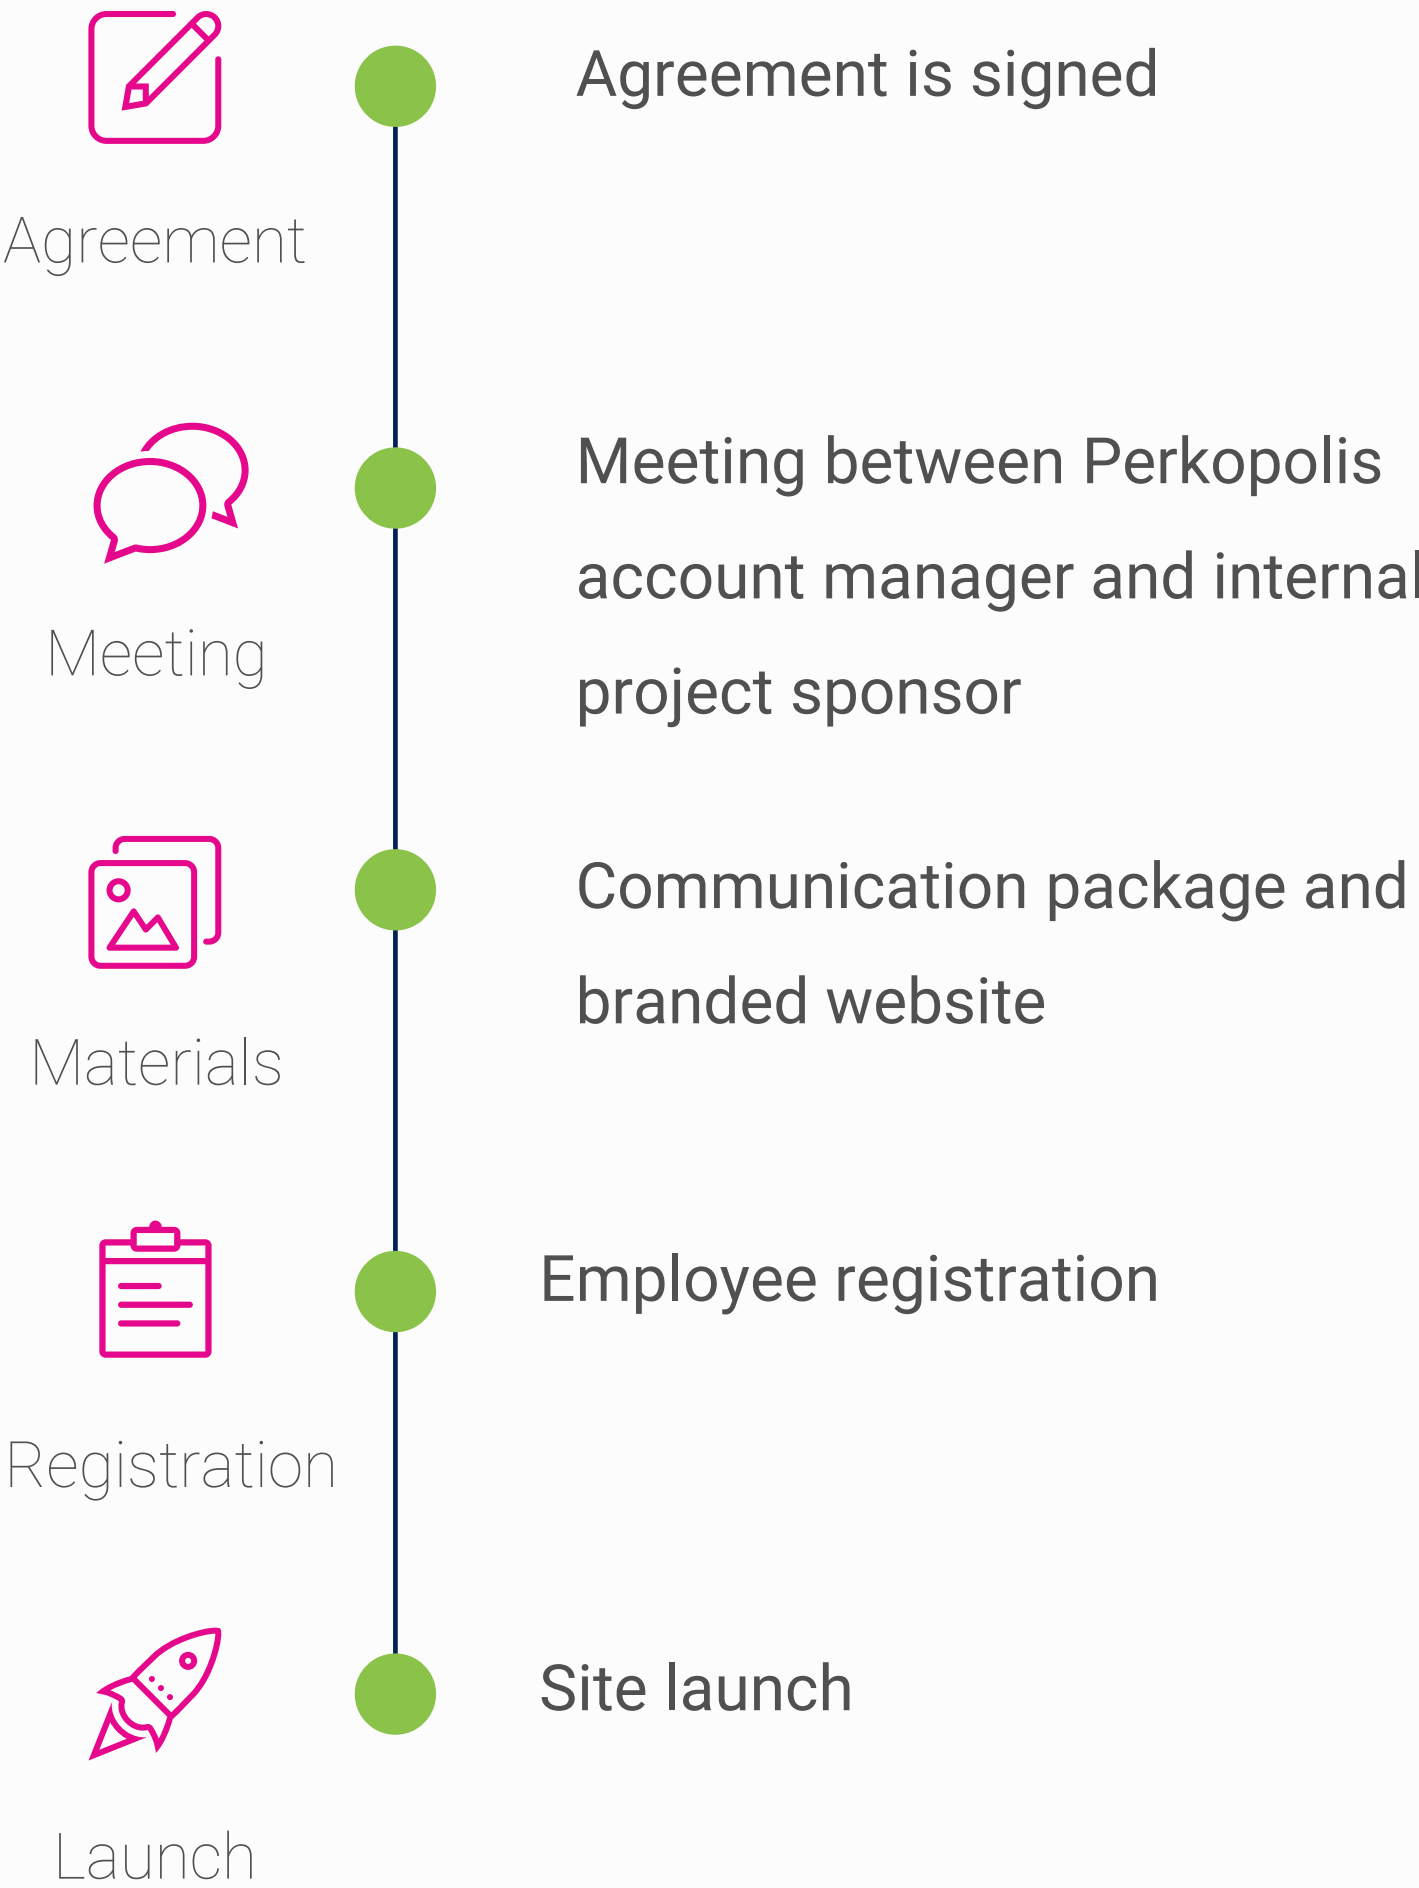

A strong partnership is key to the success of Perkopolis in the workplace. Our dedicated account managers work with you to ensure the success of our program.

# Perkopolis App

The newly redesigned Perkopolis app is the most convenient way for your team to access their perks on-the-go.

The app is available on both iOS and Android devices and allows members to access every perk just as they would on the web browser.

The app also has push notification capabilities to notify opted-in members of trending or new perks. This will help draw member awareness to amazing perks they may not be actively searching for.
